DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY FROM SAO PAULO TO THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL TO THE VISIONARY SISTER LUCÍA DE JESÚS

In this moment of planetary chaos, in which within and outside of humanity there is confusion, doubts and fear, you, child, must in everything seek Divine aid, so that in the silence of your heart, the Lord may bring the answers that you need, in order to be at peace before His Plan.

Meditate as the Son of God used to meditate in the desert; cherish the moments of silence and solitude in which you meet God for a dialogue with your Lord. There, the Father will guide you and support you in the decisions about your life so that you do not fall in the same abysses, over and over.

Understand the importance of the inner desert so that you may find emptiness, nothingness, and you may know how to surrender your being so that it may become a divine dwelling.

Understand the importance of your inner desert so that your internal world may be strengthened.

Understand the importance of the inner desert, because in it you start entering the divine wisdom and discernment. It is in the desert of your heart that you will build what you will make use of during these end of times.

Therefore, child, pray and enter the silent depths of your heart without fear and there wait for the arrival of your Lord and God. In this way, you will be worthy of participating with Him, in His Plan of rescue and of salvation, first of your own soul and then of this world.

Your Father and Friend,

Saint Joseph Most Chaste
