

## Prayer to the Powerful Flame of Jesus

*Prayer to be prayed each time strength is low, each time everything seems impossible or difficult to solve, to implore with love and determination\*.*

Powerful Flame of Jesus,  
that ignites with light everything that is life,  
that fills with love everything that You touch.

Powerful Flame of Jesus,  
release the abysses and all obstacles of life  
so that I may be in You  
and You in all that is created.

Amen.

in Her daily message of February 18, 2017.*
