MESSAGE FOR THE ANNUAL APPARITION, TRANSMITTED BY MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY AND MOTHER OF HUMANITY, IN THE CITY OF BUENOS AIRES, ARGENTINA, TO MOTHER MARÍA SHIMANI DE MONTSERRAT, ON THE OCCASION OF THE 12TH ANNIVERSARY OF THE APPARITIONS OF THE DIVINE MOTHER

Beloved children:

In times of definition, I am with you.

In times of pain, I am with you.

In times when you decide to take steps toward My Son, I am with you.

In moments in which you are confused, I am with you.

In moments of great decisions, I am with you.

In moments of great or small happiness, I am with you.

I am always with you, children, by your side, embracing your souls, silent, close by, very close by, there am I.

Argentina of My Heart,

My Heart of Mother and My Sidereal Consciousness have filled with joy upon being able to contemplate the trust and the love that you have given to My Son, the Redeemer.

None of you can imagine what this has meant for the Eternal Father, the openness that the consciousnesses of this nation have shown, and how this openness could reverse your destiny forever.

In these last few days, in which you have congregated here and in different places of this nation, to pray and plead for the Argentine family, you have opened a direct path toward the Heart of God.

In these last days, My Son told you that all Argentines would have the spiritual opportunity to face God in order to express their feelings and their intention, in order to be heard by the Creator and reconcile with Him.

I want you to know that because of the braveness and the humility of those who bowed down on their knees before God, to plead for the fundamental values of the human family, the Eternal Father will pour out His Mercy and His Grace through His Son, Christ Jesus, and new opportunities of peace, of understanding and of love will be established in the nucleus of the consciousness of the families of this nation, attributes that will descend directly from the Heart of God.

Beloved children, with prayer, defend the integrity of your families in silence and in peace; in this way you will be able to deactivate the plans of My adversary which, through deceit and the

confusion of feelings and ideas, intends to destroy this safe space in the consciousness of humanity, this school of love and of forgiveness that family represents.

Do not raise your voice or express your indignation, simply pray in peace together with Me and everything will dissolve on the spiritual planes where chaos and evil organize their sinister plans against humanity.

Pray with Me, here in Argentina and all over the planet today, on this day and within all the days to come, for love, for protection, for peace, for understanding within all the families of humanity.

I wait for all of you once a week in the Prayer for Peace in the Nations to pray for the families of all societies, all peoples, all beliefs and of all religions.

Together we will place the universal family in the Heart of God, there where nobody will be able to destroy it.

Today, I bless you, I fill you with My Love and My Peace.

Thank you, Argentina, for having responded to the call of the Divine Messengers.

I love you,

Your Mother Mary, Mother of the Divine Conception of the Trinity and Mother of Humanity
