MESSAGE FOR THE ANNUAL APPARITION, TRANSMITTED BY MARY, ROSE OF PEACE, IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, ON THE OCCASION OF THE 12TH ANNIVERSARY OF THE APPARITIONS OF THE DIVINE MOTHER

On a day like today, twelve years ago, I called upon very ordinary and simple people so that they might follow Me, so that they might transform their lives out of love for My Son, and might respond to a great and important invitation that I brought from Heaven.

Thus, I appeared as the Mother of the Divine Conception of the Trinity and the Lady of Aurora because, in My Heart, I was bringing the announcement of the time of redemption and of spiritual healing for souls.

On a day like today, but twelve years ago, such simple people who had nothing to gain nor lose said "yes" to Me, and together with Me established the manifestation of the Purpose that God had requested of Me for South America.

His request was that, before the hundred years, since My Apparitions in Fatima, should pass, I descend with all of My Consciousness to a humble place in the north of Uruguay to call the world to the conversion and to the redemption of all planetary life. But also, My request was to carry My Message of Peace by means of simple but profound pilgrimages throughout the different nations of the world.

Thus, My Divine Person, as time went by, went calling hearts that would form part of this Mission and during this time, the first and small choir emerged, made up of three children of Mine.

One of My daughters would represent My singing Voice to the world, a Mission that was accomplished. But as the Purpose of God was so great, on seeing that My children responded, the Father asked Me to awaken more hearts and, in this way, the great choir of the Divine Mother emerged.

I then asked for a selfless Association to be founded that would disseminate My Message of Peace throughout the entire world; until finally, Misericordia María TV came along, a means of communication of the Divine Hierarchy which, through sound and images, would carry the Message and the Call of God to millions of souls in the world.

Twelve years have passed, of so many experiences, of children that left without having understood the essence of My call, of new and unexpected children who arrived, and those who will arrive to follow My pilgrim path.

Today, in My Heart of Light, I hold and remember the awakening of Aurora and the sweet aroma of the orange groves, as well as the fruits that many carried within themselves as an indelible Grace of healing.

Today, after twelve years, the planet cries out for Mercy and for forgiveness. Thus, I invite all My children to renew their vows so that, under the light of Aurora, new aspirations may be accomplished and concretized.

Under the Will of God, My children, may we be able to continue walking together in this eternal pilgrimage toward a meeting with the Heart of Jesus so that we may finally merge into the Love of God, because My one desire as a Mother is to always lead you toward God, so that peace may be achieved.

I thank all who have walked by My side during these last twelve years, and I am thankful for those who will continue walking by My side, helping Christ to continue carrying the cross of the pain of the planet so that it may be alleviated.

I thank you for responding to My sacred call!

Who blesses you in peace,

Your Mother Mary, Rose of Peace
