MESSAGE FOR THE ANNUAL APPARITION, TRANSMITTED BY MARY, ROSE OF PEACE AND MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS, ON THE OCCASION OF THE 12TH ANNIVERSARY OF THE APPARITIONS OF THE DIVINE MOTHER

As a sun born from the most pure Love of God, the Creator's aspiration of being among His children manifested.

It was to reveal the Celestial Truth to humanity so that, through prayer, hearts might find a secure path toward God.

It was so that the wonders of the Universe did not remain hidden from the eyes of humanity and so that the mirrors of their hearts might be ignited; so that their spirits might be awakened; so that their past might be redeemed and so that the new future might be built upon bases of love.

It was to reveal the Time of God and the Universal reality, from which human beings distanced themselves such a long time ago; so that they might understand and experience the Divine Conception, which was not lived only by Me, but by everything that emanated from the Heart of the Father, all of you, His children.

It was so that ignorance might be dissipated, so that indifference might be defeated by the power of love; so that forgiveness might triumph over all human and universal errors; so that the path of return might be drawn and revealed to all children of God.

It was to unite all peoples, to unite hearts in the spirit of love and of unity; so that creatures might discover that they are equal in essence, children of the same Father and of the same Mother, emanations of one and the same Creator.

It was to dissipate deception and that which separates hearts from each other and everyone from God; so that they could understand and live the power of unity and be able to receive Mercy, Pity and Compassion to face the tests of the planet.

It was to deter Divine Justice and allow beings to learn through love and the Grace of forgiveness.

It was for My children not to feel lost and lonely, but for them to know that a Celestial Mother supports them and leads them to the Arms of God and to His Divine and Supreme Son.

It was so that hearts might find peace: the peace of being in God, the peace of knowing the Truth, the peace of doing one's own part, the peace of serving this world and doing what is possible for the rescue of love in the human essence; the peace of knowing that you are returning to God, the peace of knowing that you are also preparing His Return to the world.

It was to awaken you and to remind you of the commitment that you made with the Creator since the beginning, since the Origin of your lives.

It was to renew your yes and My yes, that I came to the world, My children.

It was to be by your side, to open the doors and show you the path, that is why I have been here for 12 years, and I will continue to be here, while I am allowed.

As long as you pray from the heart and as long as you are thirsty for the Truth, as long as you keep serving, surrendering your lives, transforming and generating merits for the transformation of the world, you will allow Me, beloved children, to be here and to guide you.

It was for all these reasons and many more that the Creator sent Me as His Servant and Messenger, to guide your hearts and establish peace.

With your lives, I am building a perfect Plan, which comes from the most pure Divine Thought.

Feel My presence, renew yourself before My Love and allow, My children, many more to receive the Grace of being before God and His Messengers.

There is still much to come, much to be revealed to the world; there is much to serve, much to render, much to love and much to do in this world, until you return to the Heart of God. I will accompany you.

Today, I thank you and, with the Heart full of Love, I bless you for being by My side, for being this army that fights by means of prayer to establish peace.

I love you.

Your Mother Mary, Rose of Peace and Mother of the Divine Conception of the Trinity
