DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Where souls cry out for peace and unite only for the purpose of establishing peace in the world, there God will be.

The Creator hears the voice and the pleas of His children, He hears the depths of their souls that awaken. With a minimum effort of elevation, the Hands of God stretch out to the Earth and bring souls to His Heart.

The Youth Festival for Peace is that moment, children, in which souls find encouragement and breathing space, young people find meaning, hope and strength to continue their mission of transforming this world and have it return to the origin of the Divine Purpose.

Even though they do not know it and even though they do not understand the science of spiritual events, many young people are touched, freed and rescued by God. While they sing, their souls are freed; while they express with their voice, with their heart, with words spoken in poems, in testimonials, in reflections; when their feelings are manifested in paintings, in photographs, in what they call art; it is thus, in this simple way, that the Creator silently touches their souls. It is in this way that your Celestial Mother humbly transforms hearts and shows them the way that they must take.

The Youth Festival for Peace is a door to a new life, where souls recognize the path and receive a divine blessing to tread it.

Revere this moment, because those who awaken will be the precursors of the new life on Earth; they will be those who will testify to their redemption to the Infinite; they will be those who will return to the Origin with the full consciousness of their accomplished mission and will offer to God the renewal of His Love and of His Creation.

This is the Youth Festival for Peace; a doorway to a new path, a new time. The first impulse of an awakening that will culminate in the triumph of the Heart of God.

This is how you should see it and with this love, accompany their growth, their maturing and their expansion.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
