DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Perceive, child, life around you, colors, sounds, elements, vibrations that this life emanates, what you attract to yourself, what you radiate to your neighbor. Observe how everything is united, how everything is part of a Whole, and silence yourself.

Perceive your inner world more deeply; perceive the inner world of your brothers and sisters, always so full of mysteries. Feel how everything is united, how everything is part of a Whole.

Perceive joy and plenitude; perceive anguish and suffering; perceive emptiness and the incomprehensible, and feel how these same states are manifested in life, in the consciousness of the peoples, within beings, in the expression of the Kingdoms of Nature, in the manifestation of the elements. Perceive how everything is united, how everything is part of a Whole.

Find the mystery of the similarity with God, feel that you are part of Him, part of the planet, the stars, of life and, at the same time, all of this is part of you.

Pray for peace, by living peace.

Pray for love, by seeing this love being born and expressed in you.

Pray for a new life, by rebirthing.

Pray for a new time, letting the union of times happen within you.

Live the present, the now, the service, the need, the prayer, the Plan of God.

Find God within you; find the Father within you.

Your Father and Friend,

The Most Chaste Saint Joseph
