MESSAGE FOR THE VIGIL OF PRAYER FOR PEACE IN THE NATIONS RECEIVED IN THE CITY OF BUENOS AIRES, ARGENTINA, TRANSMITTED BY MARY, ROSE OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Before all adversity and chaos of these times, may My Rose of Light and of Peace ignite within you so that, in the face of the definitive events in the nations and in the human race, the conviction and faith of being in Christ may not be lost.

May My Rose of Light and of Peace ignite within you so that the times of planetary darkness may be filled by the Love that transcends and forgives everything.

May My Rose of Light and Peace ignite within you so that all the praying beings, united, may avoid, with their supplications, more catastrophes and human traumas.

May the power of My Rose of Light and of Peace allow for the salvation and the redemption of the hearts that, out of ignorance, have closed the door to God.

May My Rose of Light and of Peace ignite within you so that these times, of definition and judgment, may be illuminated by compassion and not decreed by the chastisement that the men and women of the Earth are generating for themselves.

May My Rose of Light and of Peace ignite within you, My children, so that repentance may awaken, and in this way the souls of the Earth may learn to mend the offended Heart of God.

May My Rose of Light and of Peace, dear children, bring to the world the recovery of its original purity so that, in this way, hearts may awaken to the feeling of having more charity for the Kingdoms of Nature and more love for those who suffer, day by day.

May My Rose of Light and of Peace help you to correct human deviations and, based on true penance, may the nations of the world recognize that they have moved away from God, so that divine assistance may not be lacking for them.

May My Rose of Light and of Peace ignite within you so that, from the youngest to the eldest, you may receive the Grace of redemption and the most innocent may be no longer be exploited nor commercialized, as are the harmless animals of nature.

May My Rose of Light and of Peace lead the whole world to be prostrated before the Love of God and to acknowledge all the disobedience that His children live daily. A disobedience that separates them, more and more, from God to where His divine Grace cannot touch them.

Therefore, may the Rose of My Light and of My Peace make you perceive the emergency of these times so that each server of Christ may be positioned on the path that corresponds to them and consciously prepare the Advent of Christ.

May the Rose of My Light and of My Peace make you truly humble so that you may listen to God within, feel His Divine Heart and be at the service of His Kingdom.

May My Rose of Light and of Peace convert you into ambassadors of Christ on Earth.

I thank you for igniting, within you, My Rose of Light and of Peace!

Who blesses you,

Your Mother Mary, Rose of Peace
