DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF PAYSANDU, URUGUAY, TO BUENOS AIRES, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When hearts pray for peoples and for cultures, for nations and for the religions of the world, with their intention, they rescue that which is purest within beings and attract toward Earth the Original Thought of God for the expression of the peoples.

When you pray for the different religions to be true paths that lead hearts to God, you are rescuing the original principles that inspired the existence of religions, as a way of being a guide for human beings and, in this way, children, you help those who are lost in their ignorance and make the paths, which should take them to God, the path to their own perdition.

To pray for peoples and for nations is very important in this time, it is to place the purpose of your prayers on something higher, and to include all of humanity in your prayers.

You are at the point of deepening your union with God and of beginning to feel His Love for each one of His children, to feel the importance of peoples, the importance of the existence of each creature of the Earth.

For this reason, children, I come today to tell you that you must not tire of praying for life, for human beings and for the lower Kingdoms. Do not tire of sincerely praying for nations, for religions and, in short, for this human project. Because the hour has come for the times to change and for life to be renewed. The time has come for the definitive cycle, which includes all existence.

Thus, pray so that there may be peace, pray that there may be love and, above all, pray so that the Truth may unite you on a single path, which is the narrow doorway to the Heart of God.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
