DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Argentina is a land full of spiritual treasures to be discovered. Therefore, Argentina has been a land ill-exploited and made use of only by a minority.

But when the spiritual mysteries of Argentina come to light, no consciousness, person or terrestrial power will be able to take control of the unexpected situation that will show up.

Therefore, its spiritual treasures are in fairly inaccessible places, for them to be protected from any intention of ostentation on the part of the human being.

In Argentina, there are spiritual treasures that are not terrestrial, but cosmic, which arrived to Earth in a time past to be able to help humanity, at this time and in this cycle.

The humanity of Argentina and of the southern cone was completely asleep to the knowledge of spiritual treasures, but now, at the moment when the destiny of Argentina as a society and as a nation is at stake, these treasures will be shown so that the most simple may know that there are unknown and major powers than those human beings believe to have and that God has the real and only power, and from God comes all that exists.

The spiritual treasures of Argentina were prepared more than thirty years ago, so that in this cycle they may be revealed to the human consciousness and, through a great impulse, many uncertain situations can be transmuted and the majority of consciousnesses may have the joy of awakening and of once more putting their faith in what is invisible.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
