DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Divine and Cosmic Consciousness, the Solar Christ, spiritually embraces Argentina today and, in this way, the first Source of emanation of Divine Love is prepared so that, as from the second stage of the pilgrimage, it may send the impulses that consciousnesses upon the surface of the Earth will receive, to move forward with the inner changes that are necessary.

This does not mean that the rebellion of the dark ones has ceased; they will come with greater strength against all that the Divine Hierarchy will project for the following days.

But do not fear, do not cease to elevate your voice to the Universe, and do not cease to cry out for Mercy for, in this way, all adversity will be dissolved and transmuted and hearts will reacquire the strength to be able to move beyond themselves, without leaving behind the fulfillment of their responsibilities.

This is the time in which the light and the darkness meet, and the war of all against all is present as an opportunity for winning it through love or of being defeated through indifference.

Many more needs will be presented during the upcoming times. Thus, this is the time of putting into practice all the knowledge acquired during the last few years, this is the time of setting aside mediocrity and going on to assume that which until now you have not assumed, being able to carry the cross to the heights of the mountain, to announce the victory of Love within humanity.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
