DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Seek to love with wisdom: always words for God, always actions for God, always feelings for God, so that you may build His Plan with your lives.

Seek to live with wisdom, observing your own actions and intentions, letting them be guided by a superior Purpose; observing your own heart so that it may be imbued with your mission and with the Divine Truth.

Seek in God the answers to your questions and you will know that His are the merits of the victories of your lives.

Seek in God the virtues to express and you will know that He is the driving force of all true transformation.

Let the Hands of God guide you, let the Divine Thought inspire you, let the Love of God fill you, let the Divine Wisdom be an impulse to everything you are and your thoughts will be inspirations of God, your advice will be Gifts of His Spirit, your actions will be tireless Works that build bridges to reach the Father, your lives will be sanctified by His presence and, more than this, by His Action.

Your Father and Friend,

The Most Chaste Saint Joseph
