DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

As a Carpenter, I gradually molded the raw wood of your heart, so that you could discover the treasure that is within you.

As a Shepherd, I gradually conducted your paths, just as My Son taught Me, so that you could reach His Sacred Heart.

As a Father, I gradually polished your more human aspects, showing you what you are not, so that you could know the truth about yourself.

As a Friend, I was ever present, making Myself felt in each trial and bringing peace to your heart, to calm your anguishes and illuminate your abysses.

As a Companion, I gradually opened the doors of Heaven for you, pointing to the rocks on the path and accompanying your steps, so that you could make the Love of God triumph within your heart.

Now, child, I come, as a Servant of God, to show you a broader and deeper path, albeit invisible and hidden.

I come to show the path so that you may live My words, experience My instructions and thus, you may not only see how My Heart reaches the world, every day, but you may come with Me, enter the Portals and find your Celestial Father, Your Creator and Creator of all things.

I am Your Servant. He is your Lord. I have come here for you, so that you may accompany Me toward His Heart, and this path is trodden in silence, in the depth of your inner world, crossing the door of your essence that leads you to God.

Come, for the hour has arrived. Hear My silence and follow My walk. I come to make room for the voice of God within your heart.

Your Father and Friend,

The Most Chaste Saint Joseph
