DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear companions,

The mission accomplished up to today, in Argentina, meant for the Eternal Father an important spiritual and inner step that the hearts gave, in the continuous search of faith and love for God.

Today, the Most Chaste Heart of Saint Joseph closed a special and unique phase in the work of love and redemption of the Divine Messengers; and Saint Joseph himself opened a new cycle that will start appearing like a sun for all the servers of Christ.

Now, as more than two thousand years ago, today Saint Joseph fulfilled a new phase, which had the purpose of transmitting palpable instruction for souls, which prepared fertile ground for each heart to be able to cross the end of times.

In this sense, the instruction of the Most Chaste Heart of Saint Joseph opened a door, in this twenty-first century, for the entire humanity to never forget learning to be humble and austere in the life on the surface of the Earth.

Argentina was the scene chosen, by the Heavenly Father Himself, for the month so that in August it might be filled with the graces and the blessings of the Sacred Hearts.

Afterwards, the moment will come in which your Master and Lord will also withdraw and at last elevate our Most Holy Mother, once more, to the glory of God.

So when this happens, the last times will be unleashed and all that is in Heaven, as well as what in upon Earth, will be shown, and it will be in this hour that the soldiers of Christ must sustain, without hesitation, the torch of the triumph of Light.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus.
