DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM BUENOS AIRES, ARGENTINA,, TO THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

In the times of great changes, the instruction and the Work of My Son will comfort you. They will be the inner light for the world, the perfect balm for finding and feeling peace.

The Word of My Son will renew you and will always bring clarity and guidance for these definitive moments.

In the Word of My Son, the meaning of the purpose for humanity is found because His Word is full of Mercy, humility and purity, attributes that, with persistence and with faith, will be able to awaken your hearts and do wonders.

Children, in this new cycle, I need you to be the living Word of Christ represented in charity, in peace, in love and in the communion with the sacrament of faith.

In this way, My children, you will be bearers, not only of a legacy, but you will also have the possibility of being Christs that must soon be born, to repopulate the corrupt Earth with new and higher principles.

I thus invite you, My children, to be the Word of Christ itself, in every moment.

The world is in urgent need of Christic examples manifested within the testimony of prayer and of silence.

I thank you for accompanying Me!

Who blesses you with Her Mantle of Light,

Your Mother Mary, Rose of Peace
