DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

On the holy date of Padre Pio of Pietrelcina today I call you to remember the innocence and the purity of this great consciousness who carried engraved on his body the signs of My Passion.

See reflected in him the example of simplicity and of love, the braveness of serving God and of fulfilling the Will of the Father above all things. See in this Saint Padre Pio the sign of the true and strong love for humanity.

Now as an Instructor of humanity accept him as your mediator and confessor for the virtues of life. That in the example of his sacred priesthood you may find the path for your communion with Me.

In this blessed day Heaven and Earth give thanks for the presence of this Sacred Consciousness that, just as you, imitated the path of faith and of love through My Sacred Heart.

Remember that this Saint, Padre Pio, is the mediator for impossible cases and he will cultivate in your beings the love for humility.

Under the Good of the Father, be blessed.

Thank you for remaining in My Sacred Heart!

Christ Jesus
