DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF BUENOS AIRES, ARGENTINA, TO THE CITY OF SANTA FE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

That which a soul receives when it is sick and is visited has much more value than hundreds of medicines because, if during the visit there is love and effort to help the sick one in some way, that represents an opportunity and a Grace that the consciousness will never forget for the rest of its life.

Therefore, every time you visit a sick person, remember you are visiting Me, and that I will be waiting for your affection, love and sympathy, in order to heal the heart that suffers.

Each exercise of service, whatever it may be, represents the possibility for the servers to enlarge their degrees of love and, getting out of themselves, to take steps that otherwise they would not be able to.

For this reason, I am present in each one of the situations of life so that human beings may learn to serve and to take forward the works of Mercy that help to balance their omissions or their indifferences.

Every opportunity of service is a Grace of being able to find more strength and determination in the moment of surrendering to God.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
