DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF LA CUMBRE, CÓRDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

From the Spiritual Book of the Secrets of God - Part I

And it was at that time when your Master and Lord, after having walked together with the twelve, called three of His apostles to climb the mount Tabor and, under a divine, solar and cosmic point, they got to know the real Face of the Son of God.

Today, I tell you that not only the three apostles got to know who I really was, but also many more consciousnesses participated in that event in which, through a crossing and a perfect union between Heaven and Earth, a great portal was opened and thus Moses and Elijah appeared, showing their transfigured aspects to the three apostles.

At this moment, a kind of spiritual alchemy and a fusion of non-material Laws were established to sustain that important luminous manifestation of the real aspect of the Son of God.

It was on the top of mount Tabor and for one time that My people saw their Lord in His glorified and cosmic aspect, an aspect He had conceived before incarnating in this world as the Messiah.

During that occurrence, all atoms and cells of your Master shined and, through His ethereal Body, He showed His transfigured aspect as a vision to the apostles and to all who were present there.

For a moment, the spiritual Universe granted the revelation of this secret, which nobody had known until that moment, because the purpose of such a revelation was so that those closest to the Redeemer would be strengthened so that, when the most complex tests would come, to the life of each one of them, as they shall come to each one of you, they could learn to deepen into love.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
