DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF LA CUMBRE, CÓRDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I was waiting for you, companions, to arrive at this region of Argentina so that, in these days, as it was on mount Tabor, you may get to know My real Aspect, My Cosmic and Solar Consciousness.

Now it is time for a minority, in representation of humanity, to receive this revelation, the one I will try to show you during the coming days. This will prepare the planet for when it enters its final stage and has to inevitably experience its definition.

Therefore, such revelation of My Face, still deeper and unknown, even by the same Church, shall come out of the Tabernacles for humanity to see, once again, the Son of God transfigured, at the top of the mountain.

As it was with My apostles, I will tell you what it is about and you will become conscious of where I come from and where I went after My ascension. Because during the day, the sky is there, but at night you have the whole Universe upon you, many constellations, nebulae and galaxies, beyond your reality, which I govern and lead.

This is the time to deeply know the Son of God, in His Solar and Cosmic aspect, therefore the next Marathon of the Divine Mercy shall be the preamble for this cycle of revelations.

I thank you already for sustaining this cycle!

Who blesses you,

Your Master and Lord, Christ Jesus
