DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF THE HOLY SPIRIT, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In spite of any circumstance or situation, I do not want you to cease to smile at me, because nobody more than me knows the power of the trials upon you and the importance that they have to completely transform your life.

Therefore, do not let yourself fall nor get discouraged. I Am the force that sustains everything and that impulses everyone to carry forward the Designs of God.

Be willing to smile at me, all the time, although your heart does not feel to do so. I Am the one who can give you hope. In Me is the liberation of your prison and the end of your captivity.

Nothing that may happen to you today is by chance, everything has a motive. Therefore, in trust, affirm yourself in Me and you will manage everything. You will be able to raise your consciousness through the profound feeling of My Love and therefore see, with other eyes, all the wonder and truth that I perform in the life of those who follow Me.

Do not embitter your consciousness, feel within you the splendor of My Rays caressing the most intimate and secretive place of your soul, making each part of your being an inner space of consecration to God.

Fly, fly to Me with the wings of the soul and never fail to see near you the great portal, the great goal, almost realized.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
