DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE EL CÓNDORESORT, RÍO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Feel My Heart close to yours and My Spiritual Energy filling each corner of your being.

Feel My Presence within you and the great Universe of Love that expands inside of you, and how your soul is collected by the balm of this most potent Divine Energy.

Stay inside this emptiness and discover the magnitude of humility and the infinite splendor of love.

Help yourself of My Gifts so that your life transforms into the project that I have thought of from the beginning.

Feel the strength of the Love of God and cover yourself with His Mantle of pure Mercy; in this way, you will receive the simplicity of the Universal Kingdom and you will commune, together with the angels, of the powerful Divine Energy.

Render yourself into My Arms and this way I will take you up to the Cosmic Dwellings where you will discover the joy of being able to serve God and the gratitude of being able to feel Him and recognize Him.

May your consciousness expand and may everything be healed and redeemed in this expansion.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
