DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN EL CÓNDOR, SEA RESORT, RÍO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When I arrive upon the planet, I reflect My Mirror-Consciousness upon the world so that the ideals and forms of the terrestrial and human mind may be changed by the most potent Light of the Heart of God.

Through My Mirror-Consciousness, I reflect upon the Earth the principles of regeneration and healing for humanity in order that the beings of the planet may awaken to the time of their redemption.

Through My Mirror-Consciousness, I remove from perdition the most lost ones and I offer the refuge of My Heart as a temple and salvation home for the souls that despair.

Through My Mirror-Consciousness, I purify the global depressive feeling of humanity so that the exorcist angels may defeat every evil idea and the balm of the Love of God may triumph.

Through My Mirror-Consciousness, I awaken the mirror of the heart of each being so that the Divine Will of seeing the manifestation of the new colony of Christs may be fulfilled.

Through My Mirror-Consciousness, I reflect upon humanity the Source of the Mercy of God so that sinners may be forgiven and the oppressed be liberated from their own spiritual prison.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
