DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

When the spirit of love, truth and devotion is present near to My Heart and are being radiated by My beloved companions, I will already be able to say that a part of the mission of love and redemption will be fulfilled, because it is through My Flocks that the Shepherd can realize the good works so that the heart of His children may achieve eternity.

As I Am among you every day I bring to you from My Kingdom the peace and the benediction that will give you the strength to continue walking among the tribulation and the continuous sin produced by the world.

My dears,

May My Heart be the shield that protects you from all that may want to separate you from My Father and from the path of sanctity, as also from the path of conversion. Elevating your voices towards the High today, My Eternal Spirit listens to the greatness of the love and of the surrender of the children of God.

May this impetus of consecration and surrender be a balm of peace for those who still are not able to surrender themselves to the magnificence of My Savior Kingdom. That by encountering you every day in prayer, may My Soul be a part of your spirit so that in honor of My Sacerdotal Consciousness may be dissolved the disharmonies of the world.

Nothing is left behind at the moment of consecrating yourself to My Heart. My Followers are those that, through the example of surrender will expel in My Sanctified Name the evils of the world.

May no one lose the hope of finding Me in the great tests of life. Call Jesus because Jesus the Liberator and Redeemer of the people will be present to aid those who may proclaim their trust and faith in the Most High God.

My companions, the times demand that the children of My Father pass through the great celestial fire that will purify you little by little, the Divine Fire of the Holy Spirit that will place you on the level of the humility of the works of My Father.

Be responsible to My call, I will help you.

Under the Love of the Eternal Father, be blessed of soul and of heart.

I bless you all eternally.

Your Savior and Redeemer,

Christ Jesus
