DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, I bring a shower of Graces to an unfaithful world so that everything may be purified and transformed, so that the most lost souls may find the meaning of being alive, and so that they may fulfill their spiritual mission upon this planet.

The shower of Graces is poured out upon the world to relieve it and to generate in humanity a greater responsibility and more consciousness of love during these times.

With eyes of pity and Mercy, your Master and Lord today observes the entire planet and its humanity and expects that, by means of the infinite Grace that is poured out through the rain, everything may be repaired and renewed.

At least a minority of souls should become aware of the difficult time that will draw closer, and how this difficult time will present itself and take by surprise those who are asleep and distracted, those who, at that moment, will not know what to do and will realize that they have forgotten the essential: God.

Therefore, in this time, I come with the Principle of Grace to try to renew the times so that more souls may be participants in awakening.

It is time to prepare the heart, the definite time is drawing close and will place each being of this Universe before its reality.

I thank you for considering My Words with your heart!

Who blesses you,

Your Master, Christ Jesus
