MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED IN THE MARIAN CENTER OF AURORA TO MOTHER SHIMANI

I am your Mother from Heaven, the One who comes to accompany you to the arms of the Lord, Christ Jesus the Savior.

Praised be Him and His Holy Name in your lives!

My beloved children:

Each time that a little act of your will is guided and enters in the Will of God, the doors of the Heavens are opened and the angels receive this offer that each one of My children realize.

The overcoming of oneself, the taking one step towards the need of humanity, leaving behind your needs and desires, brings to this planet a little relief.

Each time that one of My children consciously leaves behind their own satisfaction and places the need of the world first, there is established in the planetary consciousness that which in the Heavens is called a spiritual truce. It is necessary that all these truces, which are activated day by day by the conscious task of many children of God, be converted into concrete and stable actions.

Each time that a son or a daughter accepts to take a definitive step in consecration, not only is there a spiritual truce, but this impulse is a door that is closed to chaos and is converted into another door that is opened to balance and to harmony.

Each time that a child of this Earth is consecrated definitively to God and surrenders their life to a perpetual practice of devotion, inner order, prayer, and service to others, the monastic consciousness of the planet receives a new light, a new impulse of life which strengthens it.

For this, beloved children, do not fear and take the steps that your souls have longed to take for a long time. Unite yourselves to our Lord by means of full service, and you will be able to feel definitively as a part of His Heart.

In this time, the Divine Offer consists in surrender, sacrifice, and transmutation of the planet and humanity; that is to say, only work and a constant effort. And when these offers are accepted by the creatures, God Almighty places these creatures in a special place inside of His Heart, where all is protection.

I, as your Mother and Guardian of your souls, accompany you in these steps.

Be encouraged to give all, out of love for God and His Plan for this humanity.

Thank you for having been today with Me,

Mary, Mother and Queen of Peace
