DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF LA CUMBRE, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

These are the times in which two realities will meet, the inner reality and the material reality. They will emerge spontaneously through the revealing impulse that the truth will bring, and nobody will be able to escape this event because it will be brought forward by the Universe itself.

And so, these two realities will meet in the light of each consciousness to bring them to a profound decision. And those consciousnesses that have already come to know both realities, but wasted the opportunity of growing, must account for this great waste.

For this reason, I encourage you to live in the constructive thought of God so that, when this moment comes, you may be neutral and peaceful and you may simply be moved by the impulse to help, by means of the path of prayer, all those who will need it; because they did not avail themselves of the path that I had asked them to tread.

Thus, companions, remain in unity with Me so that at the key moment I may help you and guide you, showing you the way out.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
