DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Let My steps guide you towards the level of the Infinite because in this place you will find the Source that will nourish completely your inner being.

Liberate your heart from every fear because My Luminous Heart protects and indicates the next path to traverse.

Remain in My Heart because in this Sacred Temple you will not lose the sense of life or the safe path of the spirit.

Be firm, brave and cheerful so that once you get into My Boat of Love, I may be able to introduce you to the greater universes of peace and unity.

During the hour of My Divine Mercy the humanity, the most lost and separated from My Supreme God, is conducted through a path that leads to redemption and to a prompt conversion.

I will thank you in advance for your prayers for the most in need. In this time there are many souls that have been cunningly distracted and those that have been prevented from encountering Me. Now, by means of the channel of My Infinite Mercy the Lord sends Me for the second time to spiritually resuscitate those who stopped talking to My Father and occupied themselves with the things of the world.

I know that for many of My ones it is difficult to remain in this orbit of the Earth but now I tell you that you have entered the path of constant sacrifice. Know that for God it is precious to know and to see all of His Children helping each other mutually for a greater aim.

Now I find you in My Heart, with merciful prayer as a constant and a true nourishment for your lives. Dears, the time has come of giving all for the whole. In this way My merciful Plans will not suffer limitations through My servers, but it will be fulfilled through the absolute donation of the hearts.

I walk by your side in the serenity of the heart of God.

Go ahead! And with faith continue My Path of transformation because the goal indicates a future of peace and of unity with the Highest.

Under the Mercy of God, be blessed.

Thank you for remaining in My Heart of Love!

Christ Jesus, the Protector Guardian of Love
