**DAILY MESSAGE OF CHRIST JESUS, RECEIVED IN THE CITY OF BUENOS AIRES, ARGENTINA, TRANSMITTED DURING THE THIRD MARATHON OF THE DIVINE MERCY, TO THE VISIONARY FRIAR ELÍAS**

INFINITE PEACE, will be the new baptism of your beings because only through Infinite Peace will your souls fulfill the mission that God has entrusted you in this time.

Dear companions,

This is the love that I want to reveal to you, that through My Infinite Peace your lives will be able to be united to the universe, and the Earth and the Heaven will be one, as it was predicted from the beginning.

For this to happen you must first incarnate Infinite Peace in your hearts because it will be the perfect path so that you may be able to truly love one another as I have taught you from the beginning, when My Life was among you.

Only through Infinite Peace will you find the chosen pathway of humility and in this way your souls will shine before My Kingdom because they will be fulfilling the precious gift of living in peace.

The world fades away from the lack of the true peace. Search for this Infinite Peace in your origin, in nature, in the heart of each peace maker brother and sister. Today I ask you to be an example of peace so that at least the great events of the Law of God may not weigh upon those who are not peace makers.

That through this Third Marathon of prayer to My Infinite Mercy you, as soldiers of the prayer of peace, may be able to go out strengthened and sheltered, ready to realize the missionary and apostolic task that I invite you to in this time.

Brothers and sisters, I feel a profound joy by seeing Argentinian hearts a little more mature and open to the collaboration of the Plan of My Father. That in this meeting your beings may be able to be reborn and to acquire the Spirit of God to work with your neighbors, united with the heart and with the soul.

Have a good merciful journey for the day of tomorrow. My Heart accompanies your pleas of love.

Under the Light of the Father, be blessed.

Thank you for living in My Heart!

Christ Jesus of Argentina
