DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

If you feel that your spirit and consciousness are worn out from so many tests, or that your personality is imprisoned due to so many falls, trust me with your heart.

If you believe that you cannot find an exit, nor light upon the horizon, trust me with your heart.

If You believe that all is useless and you will never be able to find a way out, trust me with your heart, because in your heart I will be able to place the Graces that will dissipate all these obstacles, and My Grace will give you inner strength to once more overcome yourself, time and again, until you are able to do it alone.

Trust me with your heart and I will be able to do wonders.

In spite of the temptation that is strong and the challenges that are constant, trust me with your heart because this way I will renew everything; the Light of My Grace will penetrate the deep spaces, will talk to you about the cells that are asleep and will awaken you to the new being.

Trust me with your heart, because this way I will be able, as Mother of the Universe, to intervene for you.

Trust me with your heart and say "amen" as a confirmation of this surrender.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
