DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE LIGHT-NUCLEUS OF SACRED HEAVEN, BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

I taught Saint Camillus of Lellis to bring love and charity to the most ill.

Today, I teach you the same so that this love may be present in the servers and collaborators of the Service Nuclei.

May it reach all souls that will be in this acute moment of humanity. Many souls still need this love that I give you, in each new meeting, so that the life and heart of those who suffer may be relieved.

This is the time to give spiritual, mental and material relief. It is no longer time to complain nor judge, it is time to bring Greater Love to the sick and suffering world.

Therefore, Saint Camillus loyally followed My inner Inspiration, until Saint Camillus and his work of service for the sick gave birth to the Red Cross, which to this day gives an impulse to millions of souls at the service of the neediest.

Saint Camillus of Lellis had within him certain spiritual rules and keys, which will help you when welcoming and giving love to those who suffer in this time of various inexplicable diseases.

Saint Camillus felt within his heart that love should always come first, before action, because in this way the action of charity and service would be filled with the Greater Love and then the Law of inner Healing would be established.

Saint Camillus felt that to serve selflessly, one should first give of themselves completely, without making any requisites nor conditions at the moment of offering to serve.

Saint Camillus felt that to spiritually help the one who was sick and suffering, the server should enter the suffering of the other to be able to understand on a deep level what their neighbor was experiencing.

And lastly, it was fundamental for Saint Camillus to see in the other the living Christ, the Christ who suffers and agonizes from human indifference and ignorance.

This was what gave an impulse to Saint Camillus to live entirely for others, beyond limits.

May these impulses help all servers of healing to bring the Presence of the Lord to those who suffer, so that forgiveness may be established in the consciousness of those who need it.

I thank you for keeping My Words in your heart!

Your Master and Lord, Christ Jesus
