DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM THE MARIAN CENTER OF FIGUEIRA TO BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When you make a little more effort than what you truly can do, you will be making My Plan of Love triumph.

When you make a little more effort than what you can do, you will be entering My Heart twice.

When you make a little more effort than what you can do, you will be granting to the world a grace and an undeserved atonement, and somewhere some situation will be benefitted.

When you make a little more effort than what you truly can do, you will be bringing My Divine Mercy to Earth, because there will be someone who, through their sacrifice, will be loving, which I always ask for with all My Heart.

When you make a little more effort than what you can do, you will be allowing the Law of Divine Grace to act and work within souls that perhaps would deserve to go directly to purgatory for having rejected God.

When you make a little more effort than what you can do, you will allow Me to reach ever deeper spaces of your being and forever remove everything that separates you from Me.

Love effort so that someday you may learn to love sacrifice, a sacrifice that will liberate you.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
