DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Do not fear. I know that many of My followers and companions, in this time and after the last 8th of August, are going through their first and challenging deserts. But in spite of the apparent dryness, I am here as never before.

In My inner silence, I accompany the great moment of the self-detachment and the banishing of those inert and resistant powers of the consciousness that have been within you for a long time.

From the moment in which you opened the door of your heart to Me, companions, so that I could govern and guide your lives, the time came for transcending and for spiritually dying to these non-evolutionary forms of life.

More than anyone, I know what it takes to die to and transcend these forms. More than anyone, I know what this situation or desert generates within the consciousness.

I also experienced My own desert as a man, when on the height of the Cross the Father witnessed the absolute faith and the love of His Son for humanity.

But now, everything that is dying within you is deeper and, in some cases, unknown.

Take My Hand and calmly trust in Me. I will take you to a safe place, where Light will reign and Love will fill you, even during difficulties.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
