DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

That in this time My disciples may not fear to be offended because on the path of humility the hard hearts will come to the conclusion of their opening themselves to the call of My Redeeming Love.

Be patient and silent, be an example of beatitude and simplicity because the mirror that reflects your heart will be the example that you live by Me in peace and in faith.

I Am returning and thus I will look for those who I have chosen to help Me to fulfill My Redeeming Work. My Meek Heart is with all of the good servers. Go ahead!

Under the good of God, be blessed.

Thank you for living in My Heart!

Christ Jesus
