DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM RIO DE JANEIRO TO MANAUS, BRAZIL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

A Heavenly Brotherhood is established within the proximities of Manaus, and your Master and Lord congregates, from different places of the Earth, the great angels and devas of the elements; water, earth, fire and air, as well as the ancient elementals of the Americas, Europe, Africa, Asia, Oceania, Antarctica and of the Arctic so that, united to the Creation and under the Law of Love for life, the great Amazon Rainforest may be restored in three stages: spiritual, mental and material.

It will be through the powerful pillar of the divine and unfathomable Mercy that your Redeemer, together with all of the Heavenly Brotherhood, will work from spiritual planes to prevent the continuous projects of devastation as well as the ideals that are mentally against the evolution of the lower Kingdoms and of human beings.

For this reason, I am coming, and with my humble and poor feet, I will stand upon the sacred soil of the Amazon. I will also impart My Solar Grace to all the native peoples so that they can feel relief and divine protection.

In unity and in love, all the servers will gather, from all places of the Earth, to offer their simple but loving prayers for the Sacred Eden of God.

I thank you for keeping My aspirations in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
