DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

In the serenity of My Merciful Heart lies your comfort.

In the Mercy of My Spirit lies the breath and faith to be able to continue.

On the path of the apostolate, you may find broken bridges to cross and hard stones in your paths.

Before all of these obstacles, I ask you to sustain the ardent fire of your faith united to the Heights. From Heaven you will receive the Grace to be able to overcome, without difficulties, all these tests.

Remember, that all My disciples come from different schools, just as it was with the Apostles. In some of My apprentices you may find promptness, in others, slowness, in others you may find spiritual maturity in training and in others, deficiencies in the spirit.

But in spite of all of the imperfections, I call you to enter into My Mercy, for whoever in truth makes an effort and works for their own transformation, this effort will be considered as merit in Heaven.

Do not lose hope of getting liberated from yourselves. My Heart will accompany the steps of those who are only willing to follow the simple instructions that I bring in these times. Take advantage, with wisdom, of the source that I give to you today, be worthy to be with Me.

Under the Powerful Love of God, be blessed.

Thank you for listening to My words and maturing them in the heart!

Christ Jesus
