**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Open your heart in order to deepen into the mystery of Love, so that this mystery may invade you completely, just as it permeated Christ in each step of the Cross.

Open yourself to recognize the unconditional, charitable and kind being within you.

Allow the mystery of Love to teach you to love people and situations that, previously and by other means, you wouldn't be able to.

Approach the Love of Christ with trust and build within yourself a consciousness free from delusory loves, a consciousness that feels and understands the degrees of true Love, that Love that bears all, that Love that is beyond enemies, that Love that overcomes and transcends any obstacle.

Open yourself to such unknown Love that comes from the Universe and moves all events.

Thus, My child, you will not be miserable nor indifferent, and you will manage to demonstrate with your example that it is possible to rely on the Christs of the new time, those who shall perform things similar or equal to those that Our Lord has done.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
