**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

When you feel that your heart closes for some reason, open it again so that the light of My Love can enter, clean it, purify it and put it in order.

The light of My Love dissolves any conflict because God is to be found in this light, as well as all the sublime power of His Kingdom.

Thus, allow your heart to open more each time so that I, as Mother, can remove from it all pain, bitterness, sadness and conflicts.

Trust in the light of My Love and everything will transform. Because upon the donation of the light of My Love to My children, all will be able to know new states and principles of Divine Love, which go beyond planetary life.

Through the light of My Love, your life will transform and you will begin to experience new attributes.

Thus, day by day, do not cease to open your heart to Mine; in this way, I will be able to work and heal the very depths, the core of what is held within you.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
