DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Children,

Your prayers are like small stars that try to shine within the celestial firmament.

Every prayer that is offered, as it is elevated to the Heights, joins a great stream of light, high voltages of divine energy that nourish, time and again, the Divine Purpose.

Each time your hearts and your thoughts are sincerely directed towards the Heights, you will be united to this flow of light that gives an impulse, from cycle to cycle, to the concretion of the Divine Plan.

See, children, the importance of the daily recitation of prayers for these times. You will be supporting, within the world, this current of spiritual light that brings souls the revelation of God for every being.

There is no other way to find the powerful Face of God.

Prayer is this direct bridge that will unite you to the great Existence, and there your souls, thirsty for the Love of God, will be satiated and fulfilled by His Eternal Love.

Prayer, in this time, is not only a weapon of defense and of protection against the adversary, but it is also the spiritual medicine that dissolves any evil. It will be enough to believe in it and in its hidden power.

Prayer is something more than repeating words.

Prayer was and is the first mantra of God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
