DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While I am talking, children of Mine, feel the prayers of your Heavenly Mother for this hypnotized humanity. Feel in your interior the infinite intercession of the Mirror of Light of My Heart.

I pray, day and night, for this world, for the conversion of sinners and for the inner awakening of non-believers so that, someday, they acknowledge the living God within their hearts.

We are within the time of the great definition, in which everything will have a judgement and also, a liberation and redemption.

We are before immediate events that will show up in order to place humanity inside or outside of the next era.

The time of repentance of the cold hearts has arrived, of those who never looked at God in order to feel His Love.

Pray with Me for each child of Mine, regardless of their condition or misery.

Let us pray for awakening and for peace.

I thank you for responding to My call!

Who blesses you,

You Mother Mary, Rose of Peace
