DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I like it when the most sinful souls approach Me, contemplating the Way of the Cross.

That comforts Me a lot, because I know that souls are searching for the path and the way to be able to return to My Heart.

My words may sound determinant, but you must know that they are full of the most true love, the love that you need, day by day, to be able to perceive the reality and to not deceive yourselves.

Those who seek the means to reach My Heart, either through the Way of the Cross, Confession, repentance or Communion, will never be alone because they will be trying to open their heart to Me so that I can rule it.

My Love for souls is so strong that, at the same time, it is determinant. I always wish souls to know the Love that was able to give everything for their salvation.

Relive the Way of the Cross as many times as necessary, because those facts of the Lord hold the codes of Higher Love that you need, again and again and thousands of times in order to take the steps toward My Noble Heart.

I offer you everything that I Am.

I give you everything I have, because I know it is possible that more hearts will surpass the Master in love.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
