DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Although My adversary, like a wolf, may agitate My sheep, remain united with the great Heart of your Shepherd.

Although great storms may come toward you, remain united with the great Heart of your Shepherd.

Do not seek to run away from difficulties or struggles, because they will find you.

Assume that, in this cycle, the time has come, just as it came to the apostles, of testifying that My Presence is real.

Thus, be attentive and vigilant so that nothing else beyond your possibilities may surprise you.

Allow My Light to shine within you during this time of darkness.

Let me transform and break within you what I need to break, so that your spirits may learn to be as brave as I was up to the height of the Cross.

I do not want nor need you to look like Me. I aspire that you be equal to what I Am, in truth, in love and in compassion.

I leave all this in writing so that you not think differently, so that you not believe that I am expecting something different from you.

As sheep among wolves, the time will come to defend the Work of your Shepherd, from all who will want to destroy it.

Are you willing to follow me?

Everything will be only but a few seconds, and then you will know the Glory of the Father, the Son and the Holy Spirit.

Do not be afraid of dying for Me, because I will always be with you until the end of times.

I thank you for responding to My call and for keeping My Words in the heart of each disciple!

Who blesses you,

Your Master, Christ Jesus
