DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children:

The path of Love is performed from the moment in which the heart is inclined to take the first step.

The path of Love transforms lives, unifies beings and transcends errors.

To experience the path of Love, you must first recognize yourselves as loved creatures by God and so allow Love, which comes from the Source, to intervene and to transform you.

To be loving is to not be indifferent and to be within yourself.

To be loving is to think about others and to share the pain of your fellow being in some circumstance.

Love brings wisdom, because love does not take possession of anything.

Love as a path is learned by loving, building and principally accepting life and its greatest events.

In love, Truth is perceived and lies are dissolved.

The true path of Love is liberating and at the same time consoling and sublime.

Love leads to understanding and makes introspection easy in the daily needs.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
