DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF THE CHILD KING, RIO DE JANEIRO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the Hour of Mercy, the great Universe of My Love is exposed to the whole world and souls have the opportunity of entering into It to receive healing, forgiveness and redemption.

All those who at three o'clock in the afternoon join that powerful mystery of Your Lord will be able to be participants in an extraordinary Grace that will not only act in this moment, but also throughout the rest of their lives, as long as the soul is aware of what that means and stops, every day, or at least thinks, under any circumstance, of the inexhaustible fount of My Love.

It is in this hour that the whole world should bow down to the ground and ask for My Mercy for, in this way, I will not only intercede for each one, but I will also help in the impossible situations so that solutions may come into the lives of people who must make an effort and pray.

It is the only true way out and the justification, before the Eternal Father, to be able to receive, in the face of the errors made, the Mercy that the spirit needs in order to enter into the magnificent and unfathomable Universe of My Love.

The solution will depend, in this time, on each one.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
