**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF MANAUS, AMAZONAS, BRAZIL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Today I bring you My Heart of gold and silver so that It may be sown in the spiritual consciousness of the Amazon, so that the native peoples may again find the path to the portal of El Dorado and, in this way, essentially reacquire the sacred value of their traditions which, with harmony and light, throughout times has allowed protection and shelter for the sacred Eden of God.

I bring you My Heart of gold and silver so that the essence of the minerals that are exploited and sold may not be lost, so that the blessed green soil of the Amazon may continue to shelter the inner treasures that it holds, and that which no human being will be able to attain.

May My Heart of gold and silver remind the indigenous consciousness of the possibility for returning to its sacred origins so that, from children to the elderly, they may enter through the golden doorway of My Heart to the spiritual and divine city, a place where nobody will any longer take away their roots or their lands.

I leave My Heart of gold and silver so that the more remote native peoples may meet with the Sun Child Who comes from the stars to bless them.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
