**MONTHLY MESSAGE OF THE MOST CHASTE AND MOST FAITHFUL WORKER OF GOD, SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF THE HOLY SPIRIT, CÓRDOBA, ARGENTINA, TO THE VISIONARY SISTER LUCÍA**

Today I place My feet upon a lily to show to the world the spirit of purity and simplicity that there is in the Heavens.

Today I come to your little hearts to inspire you to live under the spirit of humility, and that you may find in it all the attributes and virtues of the Kingdom of Heaven.

Each day that I come towards your hearts, My word touches your souls and brings to you instructions that in the depths of the words, bring all to the same path.

This is a day of absolute Glory in the Kingdom of the Heavens, because angels, archangels, saints and blessed ones contemplate at the feet of the Lord the Source of Grace that is poured over the world, by means of the presence of the Most Faithful Messengers of the Lord.

It is for this that I radiate to the hearts of the world the joy that comes from the Most Holy Heart of God, so that all the Earth may also contemplate this sacred moment.

Dear and beloved children of the Lord, with infinite gratitude I deposit today in your spirits the attribute of Obedience that goes beyond what your beings may glimpse.

Today I bring you a divine Obedience, of which, without perceiving, many are already an example in life.

The Obedience of which I speak to you consists in following attentively the voice of the heart and the voice of the spirit, so that that which is manifested in your hearts, so is that manifested in the heart of the other.

Because today I say to you that many times God speaks to you through the voice of a brother or sister, or even through the signs of life that touch mysteriously your hearts.

To live Obedience it is necessary to love it, and to love it in this world you must understand it as a door that unites you permanently to the Divine Will.

By means of Obedience, God, the Eternal potter of the Universe, shapes your hearts and spirits silently.

It is Obedience, absolute and unrestricted, that will make you channels of the Divine Mercy that will open the doors so that a new life may arise upon the Earth, because without Obedience there will not exist a new humanity.

Disobedience lives in the old human, the one that must be rendered at the feet of the Altar of the Creator, to undress itself of its own wills, empty of divine purpose, in order to find the Source of Supreme Truth, the one that will make it pure of heart, humble of spirit and servants of the soul.

And in this way the creation of God re-emerges, manifesting its true Grace, its image and semblance with the Creator of all things.

I thank you for today glorifying the Creation, and opening your hearts to receive the Divine in your lives.

I bless you always.

Most Chaste Saint Joseph
