SPECIAL MESSAGE FOR THE APPARITION IN THE CITY OF MENDOZA, ARGENTINA, TRANSMITTED BY MARY, MOTHER OF THE MOST HOLY ROSARY TO THE VISIONARY FRIAR ELÍAS

During the early morning of the 13th day of October we realized a vigil of prayer of the Holy Rosary.

When we reached the fifth decade, in the Our Father, Our Lady appeared, this time resplendent, luminous, joyful and radiant.

The Virgin Mary opened a Golden gate from Heaven from where She descended and when She approached we saw that She was wearing a totally white mantle and a white tunic down to Her bare feet and a white belt. All of the mantle, as also the tunic of Our Lady, was full of white roses, those that were blooming from the mantle and that were opening themselves as a flower to the sun. The scent of roses that was emanating Our Mother was very strong and they shone and dazzled at night like neon lights.

The Virgin carried between Her hands the Holy Rosary, which had white crystal beads, and She kept Her hands in the sign of prayer. Her face had a bright pink color and Her shining eyes were radiating peace to our beings. They contemplated us for a while, when Our Lady said to us:

"Dear children, as a Spouse before the Altar of the Father, today I show Myself to you as the Mother of Consecration. The angels have prepared Me for this moment of the consecration of the world to My Immaculate Heart."

Afterwards the Virgin said that She had come at that time because She was opening the ceremony of consecration of the world to the Immaculate Heart, a ceremony that the Holy Father Francis would be realizing in Rome, in Italy, during the morning of the 13th.

And after this blessing of Our Mother She transmitted Her message:

The 13th day of October of 1917 in Fátima, Portugal, was lived the Great Miracle of the Sun, that which I conceded to Sister Lucia dos Santos. It was the miracle that demonstrated to the world one of the divine maternal powers of the Immaculate Heart of Mary.

Today My Heart receives, before the world, the special consecration of the nations.

From the beginning when the Church of My Son was founded upon the Earth and from His sacred teachings of love and of redemption, the Immaculate and Silent Heart of the Virgin Mary was the one that always accompanied the awakening and the ardent devotion of all of the children of God.

Fátima was the principle divine flow where Heaven poured Its repairing Graces because through the three humble and simple shepherds from Aljustrel the world returned to the Heart of God.

On this day of Glory in which the nations and the souls of the entire world will try to retake the steps on the path of the celestial light, I ask you to pray so that the plans that God expects for humanity may be able to be fulfilled.

I assure you that this consecration of the nations to the Immaculate Heart of Mary will allow the most sinful souls and the souls that are most distant from God to achieve the state of the Divine Mercy.

For this, from here in South America, My Immaculate Heart is working through the light that the groups of prayer will generate for the world. The Mother of the Most Holy Rosary is aiding the children who are spiritually lonely and those who live in the emptiness of the heart from the lack of the Redeeming Love of My Son.

This planetary work of the missionary Marian souls is a new divine impulse that My Heart sends to the new apostles of Christ that may be able to emerge in time, before His Glorious Return.

As Mother of the Holy Rosary, I unite all My children and all of the nations, as well as all of the religions, through the beads of My Holy Rosary because in the Mysteries of God are guarded the keys that will open the doors for all of those who may say yes to this Magnificent Divine Will.

Most dear children, may this day of consecration be the perfect reason so that all of the groups of prayer, as also the families and the beloved beings, may be renewed on this path of prayer of the heart, because if you manage to pray with the heart many things would be able to change in time.

I invite you first to the path of Peace and of Communion with My Beloved Son Jesus. It will be necessary that all on this day answer through an act of reparation and of prayer for the great universe of God because in this way you will open the doors of Heaven on the Earth.

As a Mother I guide you, as a Guardian of Faith I instruct you in this school, that is the continuous prayer for your souls.

Beloved children from Mendoza and from all of Argentina: rejoice yourselves and sing songs of praise because your nation has been consecrated to My Immaculate Heart!

I thank you for answering to My call of inner consecration!

Mary, Queen of the Most Holy Rosary.

And at the end of Her message of peace Our Lady transmitted to us a prayer of consecration of the world to Her Immaculate Heart, that which must be recited every Saturday.

Act of Consecration of the World to the Immaculate Heart of Mary

**Flowers of Light are poured upon the Earth,
by the Angels of Heaven who bring between their hands the Mercy of God.**

**The hearts of the world are reborn in the Holy Spirit
and they awake to the Maternal Call.**

**The soldiers of Peace are united,
because the moment of inner consecration has come.**

**Shooting stars cross the firmament of the Earth:
they are the coming signs of Eternal Peace.**

**For the consecration of humanity hope emerges
and those who have lost their path to Christ,
return to the Father through His Sacred Heart.**

**Hail, Queen of Heaven!
We praise you and we adore you,
Immaculate Heart!**

**Because Your Grace converts our lives
and we are touched by the gift of Your Blessed Love.**

**O, Mother and Queen of Peace!
we consecrate our inner dwelling to Your Great Marian Spirit.**

**O, Most Holy Immaculate Mother!
we trust fully in Your Path of Love and of Redemption.**

**May we see be born on the horizon the Sacred Sun of Christ,
so that He may forever be the infinite morning star
that guides our pilgrim feet and that we may now and always,
glorify God the Creator for all Eternity**

Amen
