DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE Monastery of the Confraternity of the Lord, Guatavita, Cundinamarca, Colombia, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today I return to one of the places upon the Earth where My Consciousness rests in order to be able to meditate and make new decisions, as I did on the Mount of Olives.

This place, where this Monastery consecrated to My Heart is located, is one of the most precious inner treasures of your Master and Lord, because through the Monastery, present in the Colombian Andes, it is possible to reflect toward the surface the greatest spiritual relics that the Andes hold, since before the existence of the human being.

Although it does not seem so, the mountainous chain of the Andes is a great inner sanctuary, where life from other stars can be expressed and, as a result, help humanity.

If this Monastery did not exist in this place where it is found today, the Americas would not be able to be contained within the great seismic movements.

Through the existence of a humble Monastery, dedicated to contemplation and to service, not only the region is benefited, but also the country and the neighboring countries around it, because everything begins with consciousness, and from consciousness is born the possibility of expressing the Will of God.

I thank you for keeping My Words in your Hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
