**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED during the journey from Manaus to Sao Paulo, BRAZIL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

At this moment, as Christ the Redeemer, I bless all of Brazil so that, after the important impulse that was given through the Marathon of prayer in Manaus, all the Brazilian people may continue awakening and protecting the sacred Amazon so that, not only Brazil, but also the whole world may continue to count on the great green lung of the planet.

Even though the projects in the Amazon may continue moving forward, do not worry. Place your consciousness in all that is spiritual and that comes from God, because the same Kingdoms of Nature will defend themselves in the face of any intent of submission and exploitation from the human being.

The preservation of all of Brazil is also fundamental, for it is the sacred land chosen to take forward an important mission of rescue, along with Argentina.

The stability of nations depends on the true prayers of the children of God. Thus, peace will be established, as well as the continuity of these nations, together with the Kingdoms of Nature.

Do not forget to place in your hearts the sacred forest of God.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
