DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Within the most elevated lands of Colombia, there are sacred and inner spaces that are spiritually consecrated to the intelligent and profound activity of the enclosures of the Heavenly Brotherhood.

These spaces are protected, and only the heart that is of pure intention will be able to access them, avail themselves of the spiritual and cosmic energy that these enclosures emanate, so as to collaborate in the elevation of the human consciousness.

To know the treasures that are held by Colombia of the Andes, as Colombia of the seas and of the Amazon holds, this should be a part of the interest of all seekers of the enclosures of the Brotherhood; in this way, they will come to know Colombia in its true essence rather than in its appearance.

Colombia is still to be discovered, not by exploiters or merchants, but by all those who love and aspire for universal life, so that this greater life may be more conscious in the human being who walks toward redemption.

The sacred enclosures will take you, in attunement and in love, into discovering within yourselves the essence of the Purpose.

Colombia has been placed in a completely mistaken and dense image.

Colombia is one of the places where your Lord will appear, because I will come to meet those who are humble and who love Me.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
