### **WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, ON THE OCCASION OF THE 10th YOUTH FESTIVAL FOR PEACE**

My beloved ones,

Today My feet tread upon the high mountains of the Andes; but beyond the distance, I am close to you, My dear youths of Peace.

Today the Universe recognizes the true efforts of having built, out of love and service, this new edition of the Youth Festival for Peace.

It is in this way that God avails Himself of the impulses that are born within young souls in order to materialize His Work of Love and Mercy.

Now, more than ever, Uruguay needed an edition of the Youth Festival for Peace with extreme urgency, for the young hearts that are there have the commitment to establish the Presence of God in the consciousness of this country; but not an institutionalized God, rather a God that lives with all His Power and His Kingdom within each being.

The Youth Festival for Peace has reached Montevideo, which is the heart of mistaken decisions, in order to give a chance to the consciousness of the Uruguayans that, in spite of its artificial dream and the instilled illusion, must someday recognize that it has distanced itself completely from the one Truth and that the country, being conducted by a few idealists, is moving toward an unrescuable state.

Thus, as Mother of Uruguay and Lady of the Thirty-three, I return once again to the Uruguayan people so that it may hear the voice of the faithful Servant, the Mother of the Uruguayan church corrupted by power and by the indifference before everything the nation freely practices and experiences, distancing itself from the principles of dignity and human fraternity.

The Youth Festival for Peace came to Montevideo to create an inner echo through the voice of the young people, the ones who, in the near future, must face and assume that which a few have decided on for the life of the nations, such as Uruguay, which was called upon to be the cradle for the Return of Christ.

Yet, Uruguay as a society denies the Church of My Son; the Uruguayan people, who used to have a warm devotion, which later became a cold devotion toward God, have lost trust in those who manage Peter's institution.

Here there are many responsible for the faith of the Uruguayans becoming impoverished and completely separated from the Truth; and furthermore, for this faith being turned toward substances and plants that promote a fictitious spiritual freedom.

Do you understand, children, the importance of it being the youth who peacefully promote the change?

Fully into the twenty-first century, Uruguay absolutely believes that, through the practices it has imposed, it has achieved a form of evolution.

Everything that the country experiences today as freedom, granted by the laws of humankind, is the result of an instability in the essence of meaning and discernment.

Through the Festival, Uruguay has the Grace of perceiving that it not only has distanced itself from reality, but that it has also distanced itself from love, because true Love would never allow losing the sense of what is healthy and good.

Uruguay, Uruguay! Awaken from the dream you have entered.

Uruguay! Do not forget that your commitment is sealed by the Light of the New Aurora.

Uruguay! React and do something for your people and for your land before it is too late.

Uruguay, I am your Mother and I come to help you.

I thank the youth for all the efforts offered.

Who blesses you,

Your Mother Mary, Rose of Peace
